## Ten Percent Foundation Donates £2000 to the Wiv Hub

We have donated £2000 to The Wiv Hub, a youth club based in Wivenhoe. The Wiv Hub was set up by Anne Lucking, who identified that there was a clear need for a youth group after the previous one closed down in 2016. After sourcing a shipping container, some land, support from Essex Youth Services and getting a few volunteers to get involved, the Wiv Hub was established. With over 20 11-13 year old children attending regular sessions, Anne is looking to grow the project further. Our donation will pay for a shed to house additional equipment and also fit lighting in their summerhouse.

The group was nominated by Dr Samantha Davey at the University of Essex. A big thank you as ever to all our clients who take the time to suggest organisations!

Toby Hirst from the Ten Percent Foundation, travelled down to Essex to take a look around and speak with Anne the CEO.

# The Transcription Society - providing professional accreditation to academic and business transcribers

The Transcription Society is a not-for-profit organisation dedicated to improving standards in the transcription industry and providing accreditation to both individual and corporate members. The organisation is run on a not for profit basis and registered in the UK with Companies House. The society offers individual transcribers the chance to obtain professional recognition for their standards of work and provides corporate members with recognition that they subscribe to a professional level of industry standards for quality and ethics. Needless to say, TP Transcription Limited is a corporate member and our directors sit on the board of the Transcription Society. For

details of the transcription standards the Society promotes, please visit <u>www.transcriptionsociety.org</u>.

We hope you have enjoyed reading our monthly newsletter and look forward to hearing from you if we can assist further.
